

# Ayush Kazi Shrestha

Frontend Web Developer | ReactJS, NextJS

Kathmandu, Nepal | +977 9856087898 | [ayushkazishrestha@gmail.com](mailto:ayushkazishrestha@gmail.com) | [GitHub](#) | [LinkedIn](#)

## SUMMARY

**Frontend Web Developer** with over a year of experience developing responsive, user-friendly web applications in **React** and **Next.js**. A recent **IT graduate** with a strong academic background and practical experience gained through internships and real-world client projects. Skilled at problem solving, collaboration, and delivering outstanding results on time in fast-paced environments. Eager to learn new technologies and improve coding abilities over time.

## EXPERIENCE

### Frontend Web Developer | Aarambha IT Research Center Pvt. Ltd.

 *(July 2024 – Feb 2025)*

- **Developed 3-4 high-performance, responsive websites** from scratch using **Next.js**, optimizing SEO and ensuring cross-browser compatibility.
- **Revamped a catering website**, significantly improving **speed, UI/UX, and functionality** under tight deadlines, enhancing client satisfaction.
- Built **reusable Next.js components** with **TypeScript**, improving **code maintainability and scalability** while following **professional coding practices**.
- Regularly **resolved Git merge conflicts**, ensuring **smooth version control and collaboration** within cross-functional teams.
- **Maintained a structured task prioritization system**, meeting tight deadlines and ensuring **on-time project delivery**.
- Consistently received **positive feedback** from the manager and clients for delivering quality work and meeting project objectives.

### Frontend Web Developer Intern | Everest Technologies Pvt. Ltd.

 *(Jan 2024 – July 2024)*

- Strengthened **React.js skills**, focusing on **React Hooks, state management, and component optimization** in the early phase.
- Developed an **invoice generator** during the initial month, improving **React.js** proficiency.
- Gained hands-on experience with **TypeScript, Zustand, React Query, TanStack Table, and Git/GitHub** while working on a **restaurant management system**.
- **Collaborated effectively using Jira**, managing tasks and workflow in an **agile development environment**.
- Built and integrated key features, including **adding/editing/deleting dishes** to the menu and managing **spaces and tables** within the system.
- Improved **debugging and problem-solving skills**, resulting in seamless **feature integration**.

## EDUCATION

### **MSc IT in Data Analytics** (*Feb 2025 - Present*)

Islington College (Kathmandu, Nepal) (*Affiliated with London Metropolitan University*)

- Pursuing a master's under **full postgraduate scholarship** provided by **Innovate Nepal Group (ING)**

### **BSc (Hons) Computing** (*Nov 2021 – Nov 2024*)

Informatics College Pokhara (Pokhara, Nepal) (*Affiliated with London Metropolitan University*)

- Graduated with **First Class Honors** – (Grade A) (72.39%)
- Awarded **AAA Scholarship** (Full Scholarship for the first academic year for outstanding performance)
